

St. Paul's Church Hall
Special Conditions of Hire during COVID-19

Note: These conditions are supplemental to, not a replacement for, the hall's ordinary conditions of hire.

SC1:

You, the hirer, will be responsible for ensuring those attending your activity or event comply with the COVID-19 Secure Guidelines while entering and occupying the hall, as shown on the attached poster which is also displayed at the hall entrance, in particular using the hand sanitiser supplied when entering the hall and after using tissues.

SC2:

You undertake to comply with the actions identified in the hall's risk assessment, of which you have been provided with a copy.

SC3:

You will be responsible for cleaning door handles, light switches, window catches, equipment, toilet handles and seats, wash basins and all surfaces likely to be used during your period of hire **before** other members of your group or organisation arrive and to keep the premises clean through regular cleaning of surfaces during your hire, paying particular attention to wash hand basins and kitchen sinks (if used), using either the products supplied (which will be in a clearly accessible location) or your own ordinary domestic products. You will be required to clean again on leaving.

Please take care cleaning electrical equipment. Use cloths - do not spray!

SC4:

You will make sure that everyone likely to attend your activity or event understands that they **MUST NOT DO SO** if they or anyone in their household has had COVID-19 symptoms in the last 7 days, and that if they develop symptoms within 7 days of visiting the premises they **MUST** use the NHS Test, Track and Trace system to alert others with whom they have been in contact and must also alert you and you **MUST** immediately alert Brian Medhurst.

SC5:

You will keep the premises well ventilated throughout your hire, with windows and doors open as far as convenient. You will be responsible for ensuring they are all securely closed on leaving.

SC6:

You will ensure that no more than 30 (in main hall) and/or 8 (in side room) and 4 (in the kitchen) people attend your activity/event, in order that social distancing can be maintained. You will ensure that everyone attending maintains 2m social distancing while waiting to enter the premises, and as far as possible observes social distancing of 1m plus mitigation measures (wearing a mask) when using more confined areas (e.g. moving and stowing equipment, accessing toilets) which should be kept as brief as possible. You will make sure that no more than two people use each suite of toilets at one time.

SC7:

You will take particular care to ensure that social distancing is maintained for any persons aged 70 or over or likely to be clinically more vulnerable to COVID-19, including for example keeping a 2m distance around them when going in and out of rooms and ensuring they can access the toilets, kitchen or other confined areas without others being present. For some people, passing another person in a confined space is less risky, but for older people that should be avoided.

SC8:

You will position furniture or the arrangement of the room as far as possible to facilitate social distancing of 2m between individual people or groups of up to two households or 1m with mitigation measures such as: seating side by side, with at least one empty chair between each person or household group, rather than face to face, and good ventilation. If tables are being used, you will place them so as to maintain a distance of at least 2 metres across the table between people who are face to face e.g. using a wide U shape or only use one side of the table, unless occupied by a family group.

SC9:

You are asked to keep a record of the name and contact telephone number or email of all those who attend your event for a period of 3 weeks after the event and provide the record to NHS Track and trace if required. You should destroy that record after 21 days. This is optional and people can refuse to give this information or allow you to pass it on.

SC10:

You will be responsible for the disposal of all rubbish created during your hire, including tissues and cleaning cloths, in the rubbish bins provided, outside the hall, before you leave the hall or for taking all rubbish away with you when you leave the hall.

SC11:

You will encourage users to bring their own drinks and food or you will be responsible, if drinks or food are made, for ensuring that all crockery and cutlery is washed in hot soapy water, dried and stowed away. You will bring your own clean tea towels, so as to reduce risk of contamination between hirers, and take them away. We will provide washing up liquid and washing up cloths.

SC12:

We will have the right to close the hall if there are safety concerns relating to COVID-19, for example, if someone who has attended the hall develops symptoms and thorough cleansing is required or if it is reported that the Special Hiring Conditions above are not being complied with, whether by you or by other hirers, or in the event that public buildings are asked or required to close again. If this is necessary, we will do our best to inform you promptly and you will not be charged for any cancelled hire.

SC13:

In the event of someone becoming unwell with suspected Covid-19 symptoms while at the hall you should remove them to the designated safe area which is in the side room. Use the provided tissues and bin/plastic bag, and provide a bowl of warm soapy water for handwashing. They should be collected or go home and/or medical advice should be sought as soon as possible. Ask others in your group to provide contact details if you do not have them and then leave the premises, observing the usual hand sanitising and social distancing precautions, and advise them to launder their clothes when they arrive home. Immediately inform Brian Medhurst on 01822 853337 medhurstbrian@gmail.com.]].

SC14: For events with more than 30 people you will take additional steps to ensure the safety of the public in relation to COVID-19 and prevent large gatherings or mass events from taking place, for example by operating a booking system or providing attendants or stewards who will ask people to seat themselves furthest from the entrance on arrival, to exit closest to the exits first and invite people to use toilets in the interval row by row.

SC15:

You will ask those attending to bring their own equipment, as appropriate, and not share it with other members or you will avoid using equipment, which is difficult to clean, as far as possible. You will ensure that any equipment you provide is cleaned before use and before being stored in the hall.

SC16:

Wearing of face masks in the hall is compulsory, unless a person has a medical exemption and/or it is impractical to wear a mask due to the strenuous nature of the exercise being undertaken or when eating or drinking. If masks are not worn, ensure that a minimum social distance of 2m is maintained at all times.

User Group:

I confirm that I have read the General Rules for using the hall during the current pandemic and will ensure that my Group will comply with these and I will take responsibility for compliance with the Special Conditions listed above.
